## NO-GROANI \$13

Malört, blanc vermouth, rosato aperitivo, rose water, grapefruit bitters. This cocktail was crafted by our former team member Michelle Hartmann. But she hates all of you enough to come back and make it again. We miss her. If you miss her follow her @drinkwithureyes.

## MALÖRT PICKLED HARD BOILED EGGS \$3

When the Lane family arrived on the shores of Lake Michigan in 1863, they brought with them a love of pickling and wormwood. Hard boiled eggs, Malört, pickle juice, pepperoncini, thyme, dill, lemongrass, fresh orange peel, jalapeños.  
Can we offer you an egg in these trying times?
